Meeting notes

- We discussed the budget and that we wanted to make sure we plan for another printing of the guidebooks.
- Discussion of the cards and future ideas were shared.
- We are going to update the AT book that is passed out by compass. We have out task force working with other state AT people to do this so we don't all work separately, but together. This group is going to be a team with those on the TBI of COP group.
- The guidebooks and the cards will be on the table at the brain injury conference again because they were so well received. Jerry and Renee I'll help Maggie at the table again. Others are welcome to join us.
- Our next meeting will be in March via a teleconference. We will have more discussion on the AT booklet.
